

The Noble School Parental Permission Slip for Medication

We **will not** administer any medication unless we have parental permission. The parent should turn in medication to the front office. Prescription medication must have the amount and time of medication to be dispensed for that child on the original label from the pharmacy. Over-the-counter medication must be in the original container with the student's name written on the container. (We cannot administer more than the suggested limit for the child's age/weight.) **Students may not take medication which belongs to another student.** If you would like us to provide this service for your child, please complete the form below, sign and date it.
